

Summer 2014 Graduate School Registration begins 3/31!

Beginning March 24 please check MyBentley (Academics Tab) for **your individual registration assignment time.**

GRADUATING STUDENTS: Students who are taking their final courses in summer 2014 will have access to register for summer courses on Monday, March 31 beginning at 9am, provided they have filed their Petition to Graduate by March 21. The Petition to Graduate is accessed by logging in to MyBentley. If you are completing more than one degree/certificate you must file a separate petition for each one.

NON-GRADUATING STUDENTS: All non-graduating students will register on Tuesday, April 1 (and again on April 2 if necessary). Each non-graduating student will be assigned a specific registration time based on a degree completion percentage that includes current registered courses. Students are allowed to register for varying credit limits on each day based on their full-time/part-time status upon admission.

Please refer to the chart below for your registration dates and the corresponding maximum credit limit for each day:

How will I know my assigned registration time?

Beginning March 24 you may log in to MyBentley where you will find your assignment time listed in the Academics Tab. Your individual assignment time will be the same time on both day 2 and 3. Ex. If your assigned time is 11am then you will be able to register at any point between 11am and midnight on both days.

Will my assignment time change each semester?

As you earn credits and move closer to completing your degree, your assignment time will begin to move up to a slot earlier in the day.

What if I need to enroll in more credits than is allowed per my full-time/part-time status?

To apply for an exception to the overall maximum credit limit please send a formal request for review, in writing to Graduate Student and Academic Services Office at gradvising@bentley.edu.

Exceptions will not affect first day registration limits.

How will a student's full-time/part-time status be determined?

It is based on your full-time/part-time status upon admission as stated on your admission application. Your full-time/part-time status for this purpose does not change based on your actual course load.

What if I am unavailable to register during my assignment time as I will be in a meeting or otherwise engaged?

If your assignment time is 11am then you will have access from 11am to midnight on that day.

You can log in and register when you are able, after 11am.

Who should I contact if I need help in selecting a course?

You may contact the Graduate Student and Academic Services Office to speak with an adviser.
