# Academic Planner: Master of Science in Accounting

## Concentration: Advisory

This worksheet is intended to help you plan your course enrollments to be sure that they align with the Master of Science in Accounting: Advisory curriculum. Use this worksheet along with Degree Works to track your program completion.

Please note in order to graduate students must:

Complete all degree requirements within five years

Earn a minimum of 2.7 cumulative GPA

Advising Guidance:

- Only pre-program foundation courses may be waived. Insert a “W” under the Waiver/Substitution column.
- If you received a substitution for a course, you are required to make up the credits by taking an elective course listed under the concentration elective list (refer to the program guide above). Insert the new course number under the Waivers/Substitution column and the same row as the substituted course.
- All course prerequisites must be satisfied. Please note that the stated prerequisites of a course may also have a prerequisite that must be satisfied.
- Refer to the [Typically Offered Course Guide](#) to help you plan your course selections.
