REGISTRATION INFORMATION

Registration begins on April 5th
at 9:00 am!

Tuition and fees:

3-credit courses: \$1642.00

1.5 credit courses: \$821.00

*Evening students are generally restricted to nine (9) credits per semester. Accelerated enrollment may result in higher tuition charges. Students enrolling in 12 to 18 credits will be charged full-time day tuition.

Fees

Deferred Payment: \$25

Assessment of Prior Learning (Per credit): \$75

Tuition Payment

Students will be billed for tuition and fees upon registration. Students are responsible for all tuition and fees as indicated in the following refund schedule. Payment may be made in full by personal check or credit card (Discover, MasterCard, or VISA). A deferred payment option allows students registered in 6-8-week classes to pay in two installments. One-half of tuition and 100% of fees are due upon receipt of bill. Subsequent payments are required as follows:

For 6 & 8 week courses ONLY:

Due upon registration: ½ tuition + \$25 fee

Summer I: Final payment due by June 2

Summer II: Final payment due by July 20

To enroll in the deferred payment option, you must register on the Student and Financial Services website:
http://www.bentley.edu/sfs/payment_plans.cfm

Campus Policies and Procedures—Important Information

Student Account Clearance

You will not be permitted to register for the semester unless your student account balance is cleared by either payment or pending financial aid. If you have any questions concerning your student account, please contact the **Student Financial Services Office, Rauch 132, 781/891-2162 or –2171.**

Students who are disputing tuition charges must complete an Academic Petition Form and submit it to the Registrar's Office no later than the end of the following semester. Petitions received after the deadline will be referred to Student Financial Services for review. All charges remain due until otherwise notified.

Course Pre- and Co-requisites

Students normally are not permitted to attend courses unless all prerequisites are satisfactorily completed, either through Bentley courses, transfer credit, or proficiency credit. Prerequisites must be satisfactorily completed prior to the start of the course; co-requisites (or concurrent prerequisites) must be completed prior to the course or may be taken during the same semester.

Students may petition the appropriate department chairperson for a waiver of a pre- or co-requisite for a specific course.

Please note that, in addition to specific course prerequisites, many courses also have class standing prerequisites. See below.

Class Standing/"Window Policy"

For registration purposes only, Bentley utilizes a "Window Policy" to allow students to access courses if they are within 9 credits of the required class code:

To access:	Credits successfully Completed:
sophomore-level courses (CC3):	21
junior-level courses (CC5):	51
senior-level courses (CC7):	81

Course Withdrawals

To officially withdraw from a course, students must withdraw through MyBentley or by filing a "Course Change Form" with the Registrar's Office. . Non-attendance will not automatically withdraw you from a course or relieve you of financial obligation. See the "Refund and Withdrawal Schedule" on the previous page.

Waitlists

If an evening course is closed, students have the option of being put on a waitlist. Should a seat become available before the start of class, you will be contacted at a phone number of your choice. As such, it is important that you submit accurate contact information. Students who cannot be reached will lose their spot on the list.

Class Cancellations

If a class is cancelled, every effort will be made to try and reach you either by telephone or e-mail. It is critical, therefore, that we have your accurate daytime telephone and e-mail address. Any changes to addresses or phone numbers should be made in writing to the Registrar's Office, RAU 111.

Photo ID

All registered students must have a Bentley identification card. To obtain an ID card, you must present your registration verification and Bentley ID number to Campus Police. Your ID is required to utilize the library, computer laboratories, admission to campus events, and the Dana Athletic Center.

Parking Permit

After you receive your registration confirmation, it is imperative that you apply for a parking permit. All registered students must have a valid Bentley parking decal displayed on their passenger side window. **In order to obtain a new parking decal for your vehicle, you must register your car via MyBentley. Click on "Personal Information" and then "Request Parking Decal."**

Parking regulations will be enforced beginning the second week of the semester. (Safety regulations, including handicapped parking and fire lanes, are enforced at all times.)

Academic Advising

All part-time evening students are encouraged to visit the Office of Academic Services in LaCava 298 to meet with an academic adviser. Advisers are available to discuss program options, courses, transfer credits, and alternative sources of credit. To schedule an appointment, call 781/891-2803. To meet the advising needs of part-time evening students, our office is open two evenings per week.

**For new students...
For returning students...**

Would you like to speak with an adviser
before choosing your courses?
Appointments are available!

In Person Or On the Phone

8:00 am – 5:30 pm

**Evening Appointments Available on
Mondays and Tuesdays by Appointment**

Please arrange your advising session by
calling 781.891.2803

Curriculum and Policy Changes: *for Students beginning prior to Fall 2009 only*

General Business Core

Bentley University has implemented a new GB core for students beginning their programs in Fall 2009 who have not completed any business core courses. Students may not “mix and match” old and new core courses. Therefore, if you have completed or transferred in any GB courses, you may not enroll in or receive credit for any courses under the new core. All “old core” courses will still be available, but it is in your best interest to move through these courses as efficiently as possible. To help you map out a plan for completing your core, speak with an academic adviser in the Office of Academic Services.

Curriculum and Policy Changes: *for students beginning 2009 or after only*

Changes in the General Business Core for new students who have not completed any of the GB courses either at Bentley or in transfer

A New GB Core – New students will have a 27 credit Business Core (formerly 24 credits) with the following courses:

- GB 110 Legal and Ethical Environment of Business
- GB 112 Tools & Concepts in Accounting and Finance
- GB 212 Practice and Applications in Accounting and Finance
- GB 213 Statistical Analysis of Business Data
- GB 214 Marketing-Operations Fundamentals
- GB 215 Human Behavior & Organizations
- GB 310 Business Processes & Systems
- GB 320 General Business Field Project
- GB 410 Global Strategy

Changes to Minors in Business Departments

- The Finance, Management and Marketing departments now require 3 courses in the discipline and one non- business course from an approved list of courses. Please visit the departmental websites for more details.

If you have questions about how any of the above curriculum changes will affect your program progression, please contact an academic adviser in the Office of Academic Services, LaCava 298. 781.891.2803.

DIVERSITY, INTERNATIONAL, & COMMUNICATION INTENSIVE FOCUS COURSE REQUIREMENTS

Before graduating, all Bentley students matriculating on or after Fall semester 1999 must satisfy the *Special Focus Course Requirements* by selecting courses from a list of approved courses that have diversity, international studies, and communications-intensive material as their focus. In order to graduate students are required to take and pass:

- one 3-credit diversity-focused course,
- one 3-credit international-focused course, &
- two 3-credit communication-intensive courses, one in the major and one outside the major course of study.

Courses that satisfy the communication-intensive, diversity and international focus requirement are printed in the *Course Schedule* section of this booklet and are designated with *C*, *D*, and/or *I* in the focus section for each course and are available online at www.bentley.edu/registrar/d_reg_times.cfm.

Transfer students entering Bentley with 30 or more credits are waived from these course focus requirements.

Bentley on the Cape...

Check out these two great courses!

Field Study on Cape Cod- Biology

NASE 314 Coastal Biology of Cape Cod

Location: Wellfleet, MA, on Cape Cod

On-Site Dates: May 9-May 13

(Sunday through Thursday)

Prerequisite: Any NASC

Instructor: Nancy M. Eyster-Smith

781/891-2987; neystersmith@bentley.edu

This course investigates various ecosystems of Cape Cod, focusing on the variety and types of organisms found in each area and their interrelationships with their natural surroundings. The ecosystems to be studied include sandy beaches and dunes, salt marshes, estuaries, rocky intertidal habitats, saltwater and freshwater ponds, and a rare Atlantic White Cedar swamp.

The intensive field-oriented nature of this course requires all participants to be housed in the South Wellfleet area of the outer Cape. The University will reserve rooms at the Southfleet Motor Inn, South Wellfleet, Cape Cod. Students must prepay the Field Fee, which includes the first night's stay.

Before registering, please get course flyer in LAC 298 or JEN 107 and read it for expectations.

Mandatory Pre-session: Friday, April 16, 6-8 pm, JEN 111

Mandatory On Cape: 9 AM Sunday, May 9 to 6 PM Thursday, May 13

Mandatory Post-session: To be determined

Costs:	Tuition	\$1642
	Field fee	\$180*

*Fee includes first night motel deposit, whale watch fee, field supplies, and ancillaries.

**Motel cost is approximately \$35.00 per night per person, double or triple occupancy. Meals and transportation are not included.

Non-refundable field course fees and motel

Field Study on Cape Cod- Geology

NASE 334 Geology of Cape Cod

Location: Wellfleet, MA, on Cape Cod

On-Site Dates: May 9-May 13

(Sunday through Thursday)

Prerequisite: Any NASC

Instructor: Rick Oches

781/891-2937; roches@bentley.edu

This is a field-oriented course that studies the origin, geologic features and natural processes of Cape Cod. Topics include glacial deposits, barrier beach evolution, cliff retreat, dune migration, fresh water supply and quality, and the impact of human activity on the natural environment of Cape Cod. Daily field activities include beach profiling, sediment sampling, and meetings with local experts.

The intensive field-oriented nature of this course requires all participants to be housed at course headquarters in Wellfleet, MA on lower Cape Cod. The University will reserve rooms; students must prepay the Field Fee, which includes the first night's stay.

Before registering, please get course flyer in LAC 298 or JEN 126 and read it for expectations.

Mandatory Pre-session: Friday, April 16, 6-8 pm, JEN 112

Mandatory On Cape: 9 AM Sunday, May 9 to 6 PM Thursday, May 13

Mandatory Post-session: To be determined

Costs:	Tuition	\$1642
	Field fee	\$180*

*Fee includes first night motel deposit, field supplies, National Park admission, a supplementary course activity, and ancillaries.

**Motel cost is approximately \$35.00 per night per person, double or triple occupancy. Meals and transportation are not included.

Non-refundable field course fees and motel deposit are due by April 16.

Summer Intensives 2010

Summer one-week courses are very intensive and require substantial preparation in advance of the start of the class. Be sure to obtain a syllabus outlining the course requirements and expectations from the Office of Academic Services (LAC 298) or from the instructor prior to registering. If you do not meet all prerequisites, you will be dropped from the class.
