

Reapply for Financial Assistance

To apply for financial assistance for the 2022–2023 academic year, you must submit the following by **April 1, 2022**:

■ 2022–2023 Free Application for Federal Student Aid (FAFSA):

Apply online at fafsa.ed.gov. The Bentley federal school code is 002124. You can access your renewal data with your Federal Student Aid ID (FSA ID) or obtain your FSA ID and/or password if you've forgotten yours. Your parents must also sign your application electronically using their own FSA ID and password. This form is required to determine your eligibility for Federal Direct loans and federal and state grants.

- **IRS Data Retrieval for FAFSA on the web:** The IRS Data Retrieval tool can help you complete your FAFSA online by allowing you to transfer processed 2020 tax return data directly from the Internal Revenue Service (IRS). This service is available through the FAFSA website and will save you time and increase the accuracy of your information. If you do not use the IRS data transfer tool when filing or correcting your FAFSA, we may need to collect additional documentation from you during our review of your application. We strongly encourage you to use this tool, if possible.

Please note: Certain categories of tax filers may not qualify to use the IRS Data Retrieval tool.

■ 2022-2023 College Scholarship Service PROFILE (CSS)Form:

Apply online at collegeboard.org. The Bentley CSS code is 3096. This form is required if you wish to be considered for Bentley need-based aid.

■ 2020 Parent Federal Tax Returns, and W-2 forms:

Please make sure that copies are signed and attach all lettered and numbered schedules.

■ If any of the following statements apply to you, you must also complete the appropriate forms and submit them to the Office of Financial Assistance by April 1, 2022.

- If your parents were not required to file a 2020 federal income tax return, they must complete a **Non-Filer Form**.
- If your parents are self-employed, own part or all of a business or farm or report any business income on federal income tax returns (usually reported on Schedule C or Schedule E), then they must complete the **Business/Farm Supplement** for each business or submit their 2020 business tax returns (1065, 1120S).
- If your parents own real estate other than their primary home or rent out a portion of their primary home, they must submit a **Clarification of Property Value** form.

■ Annual Student Loan Acknowledgement

If you have Federal Direct loans, you must complete this new form required annually at www.studentaid.gov/ASLA using your FSA ID. Parent PLUS borrowers must also complete this requirement using their FSA ID.

It is your responsibility to obtain the necessary forms and submit them by the deadline.
