March 12, 2020

Dear Students Enrolled in May international travel,

As we continue to monitor the coronavirus (COVID-19) across the globe, I am writing to provide an important update on the upcoming faculty-led undergraduate and graduate GBE international programs scheduled for May. With uncertainty surrounding international travel restrictions, and the growing cases of COVID-19 around the world, **the university has decided to cancel all May 2020 international courses.**

Any enrollment deposit paid will be credited back to your student account shortly. We regret the significant disappointment that we know many students and faculty are feeling in these unprecedented times. Thank you to all for your flexibility and understanding. As always, the safety of our students remains Bentley's top priority.

Should you have any questions at this time, please direct them to Lauren Schuller lschuller@bentley.edu, Associate Director in the Cronin Office of International Education.

Please share this information with your families.

Best,

Cronin Office of International Education
