Hello students,

We're writing with a follow-up to Friday's Study Abroad Q&A Webinar. Thank you to all of you who were able to attend live and submitted questions for the webinar. If you were unable to attend the webinar, please use this link to [watch a recording](#). We encourage everyone to submit quick feedback on the [webinar here](#). Your input will help us improve our communication with you moving forward.

**So, what are my next steps?**

- Contact [GA\\_Housing@bentley.edu](mailto:GA_Housing@bentley.edu) to make any requests regarding fall housing.
- Take time to consider your study abroad goals within the COVID-19 context.
- [Meet with a study abroad advisor](#) to discuss any questions or concerns.
- Withdraw your application now in your [BentleyAbroad](#) Applicant Home Page if you do not wish to be considered for a Spring '21 study abroad spot.

**To make a request for a Spring '21 study abroad spot:**

- Watch for the Spring Mini-app questionnaire to open June 29. This can be found in your original Fall 2020 application on [BentleyAbroad](#), which will be changed back to the "Pending" status until you submit this supplemental questionnaire.
- Submit the mini-app questionnaire by the deadline on July 17.

We look forward to supporting you this summer as we work toward opportunities to study abroad in Spring '21, Summer '21, and beyond. While our planning continues optimistically, we caution students to be prepared for the possibility for cancellation. We recognize the impact of the ongoing uncertainty, and we appreciate your flexibility. We are here to support you!

Please monitor Bentley email regularly to ensure you don't miss our updates. We will continue to post our communications and FAQs on our website: <https://www.bentley.edu/offices/international-education/coronavirus>

Sincerely,

**The International Education Team**
