# What Other Courses Can You Take?

- Plan to take **15 – 16 credits** per semester. (You may register for a maximum of 18 credits if you meet the GPA requirement).
- In addition to the required courses, you should continue taking **General Education Requirements** (if you meet the prerequisites).
- You could possibly take **Arts & Science or Business Related Electives** (if you meet the prerequisites).
- Use your **Academic Advising Workbook** to plan your sophomore courses.

# Plan Your Schedule Appropriately ...

- If you do your best work in the morning, take morning classes.
- If you do your best work in the afternoon, take afternoon classes.
- Schedule time for breakfast, lunch, and dinner – taking care of yourself is important!
- Balance your workload by trying to take a maximum of 3 courses per day.
- If you know a particular course will be challenging, try to leave the time block before and/or after that class as free time.
- Be careful which courses you take as evening courses.
