How will I know my assigned registration time?

Beginning July 17 at 4pm you may log in to MyBentley where you will find your assignment time listed in the Academics Tab. Your individual assignment time will be the same time on both day 2 and 3. Ex. If your assigned time is 11am then you will be able to register at any point between 11am and midnight on both days.

How will a student's full-time/part-time status be determined?

It is based on your full-time/part-time status upon admission as stated on your admission application. Your status for this purpose will not change due to your course load.

What if I am unavailable to register during my assignment time as I will be in a meeting or otherwise engaged?

If your assignment time is 11am then you will have access from 11am to midnight on that day. You can log in and register when you are able, after 11am.

Will my assignment time change each semester?

As you earn credits and move closer to completing your degree, your assignment time will begin to move up.

What if I need to enroll in more credits than is allowed per my full-time/part-time status?

To apply for an exception to the overall maximum credit limit please send a formal request for review, in writing to Graduate Student and Academic Services Office at gradvising@bentley.edu. Exceptions will not affect first day registration limits.
