

PROUD TO BE A BEAN COUNTER

The Greenbean recycling machine at Bentley collected several impressive totals during its first three months of operation.

#1

Bentley's rank in number of containers recycled during those three months among the eight Massachusetts colleges with Greenbean machines

29,876

Containers recycled from October to December

1,058

Dollars earned by campus recyclers

321

Students and others who used the machine

2,259

Pounds of material diverted from a landfill

IT'S EASY TO USE YOUR BEAN

1. Establish an account on gbrecycle.com
2. Deposit your recyclables in the machine located in Collins Hall
3. Earn a refund for each container deemed eligible by the Massachusetts bottle bill
4. Accrue at least 50 cents in refunds and transfer the savings to your bank account via PayPal or donate to a favorite cause. (A Falcon Funds option is coming soon!)
