FirstGen Community

The FirstGen Defined Community, located in Miller Hall, is designed for students who are the first of their family to attend college. First-generation students within this community create a social support network, participate in floor programs, visit surrounding areas, and interact with faculty and staff to enhance their sense of belonging at Bentley.

Students living in this community will:

- Meet and learn from faculty and staff partners who also identify as first-generation
- Learn how to self-advocate and effectively use available campus resources
- Engage as a peer in a community-wide first-generation support system
