FEATURED CENTERS

The **W. Michael Hoffman Center for Business Ethics (HCBE)** at Bentley University is one of the world's leading research and educational institutes in the field of business ethics. HCBE is a nonprofit educational, research and consulting organization whose vision is a world in which all businesses contribute positively to society through their ethically sound and responsible operations. It is also among the oldest and most respected, having been established in 1976.

The **Center for Integration of Science and Industry (CISI)** was Founded in 2012 and focuses on accelerating the translation of scientific discoveries for public benefit. The mission of the Center for Integration of Science and Industry is to "understand the process by which science is translated for public value, and accelerate this translation by engaging science and industry in interdisciplinary dialogue, scholarship, and education."
