

Bentley Reunion

Giving FAQs

Why should I make a gift to Bentley?

Like other nonprofits, we depend on both tuition and donations. Reunion is the perfect time to honor your time as a student and graduate and make a gift!

Why does donor participation matter?

Alumni participation is used by many organizations as a gauge of alumni satisfaction with their alma mater. A higher rate can aid in admissions efforts, make Bentley more appealing for outside grants, and add to the value of your Bentley degree.

How do we stack up to our peer institutions regarding donor participation?

Villanova: 28%
Boston College: 27%
Babson: 26%
Providence: 17%
Stonehill: 15%
Bentley: 7%

Can I designate my gift?

YES! You can designate your gift to any area you like (or even split it between multiple). Examples include the Bentley Fund (greatest need), Service Learning, General Scholarship, Office of Student Life — or write in something more specific on the form!

What's the deal with financial aid?

More than 93% of student financial need is met and nearly \$88M is given out. A brochure can be found [here](#).

How do I know if my company will match my gift?
