

Introducing GreenStep, the Office of Sustainability's  
green-tip-of-the-month newsletter

## August 2011 : How to dispose of your iced and hot coffee cups and accessories

YES

Paper cups used for water or soda are recyclable.

NO

YES

Paper cups that are stained with liquid other than water, are **not** recyclable.

### Recycle that cup.

NO

Straws are **not** recyclable.

YES

Plastic cups are recyclable.

### More on Bentley's Single-Stream ("Zero Sort") Recycling Program

- Learn more about what's recyclable and what's not at our [recycling page](#) on the Office of Sustainability website.
- Get 25 cents off your cup of coffee/tea/cocoa by bringing a reusable mug to the Lower Café and Einstein's!

### More resources
