

**Bentley University
Health Center**

**REQUEST FOR EXEMPTION FROM IMMUNIZATION REQUIREMENTS
DUE TO MEDICAL REASONS**

**All medical exemptions must be verified with a letter from your medical provider.
It must specify which immunization(s) cannot be given and the condition that
prevents the administration of the vaccine.**

I, _____, am requesting exemption from the Massachusetts and/or Bentley University vaccination and immunization requirements based on Medical grounds.

Explained here:

I understand that in the event of an outbreak of any of the vaccine-preventable diseases on campus I may be excluded from campus and classes until the period of communicability is passed. I further understand that the University will not be responsible for any costs associated with missed classes or exclusion from housing during the period of communicability and that no refund will be made. Waivers should be renewed annually at the start of the academic year.

If under 18, parent/guardian must complete this portion of the form:

As a parent/guardian having control of and responsibility for _____, a minor (under age 18) enrolled in Bentley University, I request that said minor be exempt from the Massachusetts and/or Bentley vaccination and immunization requirements based on Medical grounds.

Explained here:

I understand that in the event of an outbreak of any of the vaccine-preventable diseases on campus my son/daughter may be excluded from campus and classes until the period of communicability is passed. I further understand that the University will not be responsible for any costs associated with missed classes or exclusion from housing during the period of communicability and that no refund of such costs will be made. Waivers should be renewed annually at the start of the academic year.
