

## **NOTICE REGARDING WELLNESS PROGRAM**

Bentley University's *Bentley Balance* program is a voluntary wellness program available to all employees (other than temporary and student employees). The program is administered according to federal rules permitting employer-sponsored wellness programs that seek to improve employee health or prevent disease, including the Americans with Disabilities Act of 1990, the Genetic Information Nondiscrimination Act of 2008, and the Health Insurance Portability and Accountability Act, as applicable, among others. If you choose to participate in the wellness program you may be asked to complete a voluntary health risk assessment or "HRA" that asks a series of questions about your health-related activities and behaviors and whether you have or had certain medical conditions (e.g., cancer, diabetes, or heart disease). You may also be asked to complete a biometric screening, which will include a blood test for glucose and cholesterol levels. You are not required to complete the HRA or to participate in the blood test or other medical examinations.

However, employees who choose to participate in the wellness program may receive an incentive, including, but not limited to; raffle prizes, gift cards or wellness points, for completing the HRA or biometric screening. Although you are not required to complete the HRA or participate in the biometric screening, only employees who do so will receive the specified incentive, if any.

Additional incentives, including, but not limited to; t-shirts, activity tracking devices or other prizes, may be available for employees who participate in certain health-related activities, such as walking or other exercise challenges, onsite seminars, webinars or use of a health portal for tracking purposes. If you are unable to participate in any of the health-related activities or achieve any of the health outcomes required to earn an incentive, you may be entitled to a reasonable accommodation or an alternative standard. You may request a reasonable accommodation or an alternative standard by contacting Sandy Smith, Sr. Benefits Specialist, Human Resources, Rauch 201 or [ssmith@bentley.edu](mailto:ssmith@bentley.edu).

The information from your HRA and the results from your biometric screening will be used to provide you with information to help you understand your current health and potential risks, and may also be used to offer you services through the wellness program, such as seminars and health coaching. You also are encouraged to share your results or concerns with your doctor.

### **Protections from Disclosure of Medical Information**

We are required by law to maintain the privacy and security of your personally identifiable health information. Although the wellness program and Bentley University may use aggregate information it collects to design a program based on identified health risks in the workplace, the *Bentley Balance* program will never disclose any of your personal information either publicly or

to the employer, except as necessary to respond to a request from you for a reasonable accommodation needed to participate in the wellness program, or as expressly permitted by law. Medical information that personally identifies you that is provided in connection with the wellness program will not be provided to your supervisors or managers and may never be used to make decisions regarding your employment.

Your health information will not be sold, exchanged, transferred, or otherwise disclosed except to the extent permitted by law to carry out specific activities related to the wellness program, and you will not be asked or required to waive the confidentiality of your health information as a condition of participating in the wellness program or receiving an incentive. Anyone who receives your information for purposes of providing you services as part of the wellness program will abide by the same confidentiality requirements. The only individual(s) who will receive your personally identifiable health information is (are) Harvard Pilgrim Health Care representatives including but not limited to; registered nurses, administrators or health coaches in order to provide you with services under the wellness program.

In addition, all medical information obtained through the wellness program will be maintained separate from your personnel records, information stored electronically will be encrypted, and no information you provide as part of the wellness program will be used in making any employment decision. Bentley University will follow all security protocols including HIPAA. Appropriate precautions will be taken to avoid any data breach, and in the event a data breach occurs involving information you provide in connection with the wellness program, we will notify you immediately.

You may not be discriminated against in employment because of the medical information you provide as part of participating in the wellness program, nor may you be subjected to retaliation if you choose not to participate.

If you have questions or concerns regarding this notice, or about protections against discrimination and retaliation, please contact Sandy Smith, Sr. Benefits Specialist, Human Resources, Rauch 201 at [ssmith@bentley.edu](mailto:ssmith@bentley.edu) or 781-891-2817.
