2. WE PROVIDE BENEFITS ONLY FOR NECESSARY AND APPROPRIATE SERVICES

- We will not provide benefits for a dental service that is not covered under the terms of your *contract* as listed in your benefits. In addition, we will not provide benefits for a covered dental service that is not necessary and appropriate to diagnose or to treat your dental condition as determined by *Delta Dental*.

A. To be necessary and appropriate, a service must be:

- consistent with the prevention of oral disease or with the diagnosis and treatment on (1) those teeth that are decayed or *fractured* or (2) those teeth where supporting periodontium is weakened by disease in accordance with standards of good dental practice not solely for your convenience or the convenience of your dentist.

B. Who determines what is necessary and appropriate under the terms of the *contract*:

That decision is made by *Delta Dental* based on a review of dental records describing your condition and treatment. We may decide a service is not necessary and appropriate under the terms of the *contract* even if your dentist has furnished, prescribed, ordered, recommended or approved the service.

3. WE DO NOT PROVIDE BENEFITS FOR:

- A service or procedure that is not generally accepted as determined by *Delta Dental*.
- A service or procedure that is not described as a benefit in this *contract*.
- Services that are rendered due to the requirements of a third party, such as an employer or school.
- Travel time and related expenses.
- An illness or injury that we determine arose out of and in the course of your employment.
- A service for which you are not required to pay, or for which you would not be required to pay if you did not have this *contract*.
- An illness, injury or dental condition for which benefits in one form or another are available, in whole or in part, through a government program or would have been available if you did not have this *contract*. A government program includes a local, state or national law or regulation that provides or pays for dental services. It does not include Medicaid or Medicare. We will not provide benefits if you could have received government benefits by applying for them within the appropriate agency's time limitation.
- A method of treatment more costly than is customarily provided. Benefits will be based on the least costly method of treatment.
- A separate fee for services rendered by interns, residents, fellows or dentists who are salaried employees of a hospital or other facility.
- Appointments with your dentist that you fail to keep.

Part IV: Other *Contract* Provisions

1. DUAL CHOICE OPTIONS

If *Delta Dental* PPO is offered as part of a Dual Choice Option, enrollment changes are only accepted at the annual *open enrollment* period. A *subscriber* is not eligible to change plans except at that time.

2. BENEFIT PAYMENTS FOR SERVICES BY A *PANEL DENTIST*

The amount of co-insurance and *deductibles*, if any, that you may be required to pay your *Delta Dental PPO Panel Dentist* is explained in the Benefits Payable Rider your group has purchased. Payments are made directly to a *Delta Dental PPO Panel Dentist* from *Delta Dental*.

3. WHEN YOUR *PANEL DENTIST* MAY CHARGE YOU MORE

When your *Delta Dental PPO Panel Dentist* provides covered services based on the *Delta Dental* PPO allowance in each state, he or she must accept the allowance as payment in full. But in the following cases you will be responsible for the difference between the *Delta Dental* payment and the dentist's actual charge for covered services:

- A. If you have received a treatment when you have already exhausted your maximum or you received a treatment, which will cause you to exceed your maximum benefit allowed for services, you may be billed at the dentist's normal rate rather than *Delta Dental's* negotiated rate. For example, the maximum dollar amount for a *covered individual* in a calendar year. To avoid any unexpected out of pocket expenses, you can visit *Delta Dental's* web site, www.deltadentalma.com, or call Customer Service to determine your remaining benefits.
- B. If you receive a treatment that is not covered under your plan, you may be billed at the dentist's normal rate rather than the negotiated rate.
- C. If you and your dentist decide to use services that are more expensive than those customarily furnished by most dentists, benefits will be provided towards the service with the lower fee.
- D. If you receive payment from another person or his or her insurance company for injuries he or she caused.
- E. If, for some reason, you receive services from more than one dentist for the same dental procedure or receive services that are furnished in a series during a planned

course of treatment. In such a case the total amount of your benefit will not be more than the amount that would have been provided if only one dentist had furnished all the services.

4. PRE-TREATMENT ESTIMATES

If your dentist expects that dental treatment will involve a series of covered services (over \$300), he or she should file a copy of the treatment plan with *Delta Dental* BEFORE these services are rendered to a *covered individual*. A treatment plan is a detailed description of the procedures that the dentist plans to perform and includes an estimate of the charges for each service.

Upon receipt of the treatment plan we will notify you and your dentist about the maximum extent of your benefits for the services reported.

NOTE: Pre-treatment estimates are calculated based on current available benefits and the patient's eligibility. Estimates are subject to modification and eligibility that apply at the time services are completed and a claim is submitted for payment.

If your dentist does not file a treatment plan for a pre-treatment estimate, we will decide the extent of your benefits based on a review of those services using standards that are generally considered as accepted dental practices.

5. BENEFIT PAYMENTS FOR SERVICES BY *NON-PANEL DENTISTS*

A. Massachusetts *Delta Dental PPO Non-panel Dentists*

For services performed by a Massachusetts non-panel *participating dentist*, the out-of-network coinsurance may be 20% lower than the in-network panel dentist coinsurance. The coinsurance will be applied against the lesser of the dentist's negotiated fee allowance or the dentist's submitted charge.

A non-panel *participating dentist* will receive a reduced payment and can balance bill the difference between *Delta Dental's* payment and their actual submitted charge.

For services performed by a Massachusetts *non-participating dentist*, the out-of-network coinsurance may be 20% lower than the in-network panel dentist coinsurance. The coinsurance will be applied against the lesser of the *maximum fee allowance* or the dentist's submitted charge. The *non-participating dentist* will receive a reduced payment and can balance bill the difference between *Delta Dental's* payment and their actual submitted charge.

Any dentist, participating, non-panel or non-participating, may bill *covered individuals* for the difference between the *Delta Dental* payment and any amounts

resulting from plan specific *deductibles*, coinsurance, or amounts in excess of the plan maximums.

B. Out-of-State *Delta Dental PPO Non-panel Dentists*

For services performed by a non-panel *participating dentist*, the out-of-network coinsurance may be 20% lower than the in-network panel dentist coinsurance. The coinsurance will be applied against the lesser of the dentists negotiated fee allowance or the dentist's submitted charge.

For services performed by a *non-participating dentist*, the out-of-network coinsurance may be 20% lower than the in-network panel dentist coinsurance. The coinsurance will be applied against the lesser of the *maximum fee allowance* or the dentist's submitted charge. The *non-participating dentist* will receive a reduced payment and can balance bill the difference between *Delta Dental's maximum fee allowance* and their actual submitted charge. The member will be responsible for paying the dentist.

Any dentist, participating, non-panel or non-participating, may bill *covered individuals* for the difference between the *Delta Dental* payment and any amounts that may result from plan specific *deductibles*, coinsurance, or amounts in excess of the plan maximums.

C. Emergency Care

When a *covered individual* receives emergency care and cannot reasonably reach a *Delta Dental PPO Panel Dentist*, payment for such care will be paid at the same level as if the *covered individual* had been treated by a *Delta Dental PPO Panel Dentist* once you notify *Delta Dental* of your need to seek such care.

6. COVERING WORK IN PROGRESS

If you have had continuous coverage with another dental carrier and two or more visits have occurred prior to your group's *effective date* with *Delta Dental*, that multi-visit procedure must be considered for payment by the previous dental carrier. If only one visit of a multi-visit procedure occurred prior to your group's *effective date* with *Delta Dental*, *Delta Dental* will be responsible for paying that claim.

7. TIME LIMIT

All claims for benefits under this *contract* for services by any dentist must be submitted within **one year** of the date that you complete the service.

If benefits are denied because a *Delta Dental PPO Panel Dentist* or *Delta Dental Participating Dentist* fails to submit a claim on time, you will not be responsible for paying the dentist for the portion of the dentist's charge that would have been a benefit under your plan. You will be responsible for your relevant coinsurance or *deductibles*, if any. This applies only if you properly inform your *Delta Dental PPO Panel Dentist* or *participating dentist* that you are a *covered individual* by presenting your *subscriber* identification card.

8. SUBROGATION

You may have a legal right to recover some costs of your dental care from someone else because another person has caused your illness or injury. When you have this right, you must let us use it if we decide to recover any payments we have made for the illness or injury. However, if you use this right to recover money from someone else, you must repay us for the payments we have made. Our right to repayment comes first. It can be reduced only by our share of your reasonable cost of collecting your claim against the other person, or if the payment received is described as payment for other than dental expenses. You must give us information and assistance and sign necessary documents to help us receive our repayment. You must not do anything that might limit our repayment.

9. WE MUST HAVE ACCESS TO YOUR DENTAL AND/OR OTHER RECORDS

You agree that when you claim benefits under this *contract*, you give us the right to obtain all dental records and/or other related information that we need from any source. This information will be kept confidential.

Delta Dental PPO Panel Dentists and *Delta Dental Participating Dentists* have agreed to give us all information necessary to determine your benefits under this *contract*.

Massachusetts state law- M.G.L.c. 176E §7-requires Massachusetts *non-participating dentists* to provide this information also. *Delta Dental PPO Panel Dentists* and *Delta Dental Participating Dentists* have agreed not to charge for this service.

If you receive services from a *Delta Dental PPO Non-panel Dentist* or a *Non-Participating Dentist* who practices and treats you outside Massachusetts, you must help us obtain all dental records or other related information we need. *Delta Dental* will not pay the dentist for providing this information. If the dentist does not provide the required information, we may not provide benefits for his or her services.

10. SUBSCRIPTION CHARGE

- A. Payments: The amount of money that your *Plan Sponsor* pays to *Delta Dental* for your benefits under this *contract* is called your subscription charge. Your *Plan Sponsor* is responsible to pay to *Delta Dental* the total subscription charges by the due date indicated on each monthly invoice. If subscription charges have not been paid within 30 days after the date on which payment is due, *Delta Dental*, upon written notice to the *Plan Sponsor*, may terminate this Agreement as of the date to which subscription charges have been paid. *Delta Dental* is not responsible if your *Plan Sponsor* fails to pay us. This is true even if your *Plan Sponsor* has charged you for all or part of the subscription charge.
- B. Your *Plan Sponsor* will be solely responsible for collecting any portion of the subscription charges, which it assesses, to you.
- C. Changes: *Delta Dental* may change your subscription charge. Each time we change the subscription charge *Delta Dental* will send your *Plan Sponsor* a notice at least 15 days before the change takes effect. It is your *Plan Sponsor's* responsibility to notify you of those changes in subscription charges.

11. WE MAY CHANGE YOUR *CONTRACT*

Delta Dental shall issue and deliver to your *Plan Sponsor* prior notice of material modifications in covered services under this dental plan at least 60 days before the *effective date* of the modifications. Your *Plan Sponsor* will notify you of this change. *Delta Dental* is not responsible if the *Plan Sponsor* does not notify you that your *contract* will be changed.

In addition to the notice describing the change being made, you can also call our Customer Service department to get information on your plan change. The telephone numbers are listed at the end of this certificate.

The notice will also tell you the *effective date* of the change. Where applicable the notice will contain any expiration dates. The change will apply to all benefits for services you receive on or after the *effective date*. However, if before the *effective date* of the change you started receiving services for a procedure requiring two or more visits, we will not apply the change to services related to that procedure. If your *Plan Sponsor* has purchased benefits for orthodontic services, this limitation will not apply to these benefits.

12. WHEN YOUR COVERAGE BEGINS

Your *Plan Sponsor* will maintain with *Delta Dental* a current and updated listing of covered *subscribers* and covered dependents and will be responsible for maintaining with us an accurate and current listing.

Your *Plan Sponsor* will inform us when you or your dependents are eligible as a *covered individual* or family member under this certificate of coverage. This eligibility is based upon *Delta Dental's* underwriting guidelines and your *Plan Sponsor*. The dental services

described in this certificate are covered immediately as of your *effective date*, unless your benefits are subject to a waiting period or there exist some limitations or exclusions on your membership which are found in Part III of this certificate.

You, your spouse and your dependent children under 26 years of age, as well as their children under 26 years of age, are eligible for coverage. **Adopted children** and children under your own or your spouse's legal guardianship are also eligible for coverage. A **physically or mentally handicapped child**, who is incapable of earning his or her own living and over 26 years, may be eligible to continue coverage under a *family contract* if *Delta Dental* is notified within 72 days of the child's twenty sixth birthday, and by completing a disabled dependent application.

13. WHEN YOUR COVERAGE ENDS

There are no conversion privileges under the *contract*. However, a *covered individual* may have the right to continue dental coverage for a period of time under state law and under federal legislation known as the Consolidated Omnibus Budget Reconciliation Act of 1986 (COBRA). You and certain family members may be entitled to continue participating in this plan for a limited period even under conditions (such as your death or termination of employment) that would otherwise make you ineligible for coverage, so long as you pay the appropriate subscription in full. Contact your *plan sponsor* for more detailed information regarding continuation of coverage.

You may be eligible for continued coverage if your termination is due to a plant closing or partial plant closing as defined by state law. Contact your *plan sponsor* for more detailed information.

A *covered individual* will not be eligible for coverage when any of the following occurs:

- A. The *subscriber* is no longer enrolled in the group. We will cover you under this *contract* until your *plan sponsor* notifies us.
- B. Your dependent child under your *family contract* becomes 26 years of age.

However, if your dependent child is either mentally or physically handicapped upon reaching 26 years and is incapable of earning his or her own living, special arrangements can be made for your child to continue coverage under your *family contract*. You must apply for this continued coverage through your *plan sponsor* within 72 days of your child's twenty-sixth birthday. In addition, you must supply us with any medical or other information that we may need to determine if your child is eligible to continue coverage under your *family contract*.

- C. If you become divorced or legally separated, your spouse's coverage under an existing family membership will continue so long as you remain a *subscriber* of the plan, unless a court judgment provides otherwise. This coverage will continue until either you or your spouse remarries, or until the date of coverage termination stated in the

judgment of divorce or separation, whichever is earlier. If you remarry and your divorce judgment so provides, your former spouse will have the right, for an additional subscription, to continue to receive such benefits as are available to you by means of the issuance of an individual plan.

14. TERMINATION OF A *CONTRACT*

A. You or your *Plan Sponsor* may cancel your *contract*.

1. Your *Plan Sponsor* may cancel your *contract* for any reason. To do so, your *Plan Sponsor* must give us notice in writing at least 30 days prior to the termination date.

You may also cancel your *contract* through your *Plan Sponsor*. To do so, your *Plan Sponsor* must give us notice in writing within 72 days of cancellation. If your subscription charge is paid for a period beyond your cancellation date, we will refund the subscription charge for that period to your *Plan Sponsor* provided no claim payments have been made for services rendered after your termination date.

If you cancel your *contract*, you must wait at least one year after your cancellation before you can enroll again as a *subscriber*. You can only enroll on your group's anniversary date or when a special *open enrollment* occurs.

B. *Delta Dental* may cancel your *contract*.

1. We may cancel your group's *contract* under the terms of our agreement with your group. If your group's *contract* is canceled or not renewed, your coverage will automatically be terminated as of the same date.

If your group dental plan was terminated for non-payment of fees, charges, rates or premiums a written notice will be sent to your last known home address. The notice will include, the date your group dental plan was terminated, the termination was due to non-payment of fees, charges, or premium, and *Delta Dental* will honor dental services that are covered under your dental plan for you and your dependents prior to the *effective date* of the notification.

Delta Dental will make a reasonable effort to notify you. The notice will be sent by either first class or certified mail, postage pre-paid to your last-known home address.

If you or your employer replaced your dental plan with another insured or self-insured dental plan, the provisions of this notice will not apply.

We may, upon due notice to your *Plan Sponsor*, cancel your *contract* under any of the following circumstances:

- a. We may cancel your *contract* if you make any fraudulent claim or misrepresentation to us or to any dentist, such as an incorrect or incomplete statement on your application card which led us to believe you were eligible for this coverage when in fact you were not. In such a case, cancellation will be as of your *effective date*. We will refund your *Plan Sponsor* the subscription charge you have paid us. We will subtract from the refund any payments made for claims under this *contract*. If we have paid more for claims under this *contract* than you have paid us in subscription charges, we have the right to collect the excess from you.
- b. We may cancel your coverage if you have not paid your subscription charges. Cancellation will be effective on a date we choose, but not earlier than the subscription charge due date. If you are a *subscriber* of a group plan, the *Plan Sponsor* will owe us the subscription charge due for the period between the due date and the cancellation date. You agree that we may use your rights against the *Plan Sponsor* to collect those subscription charges.
- c. We may cancel your *contract* if you commit any acts of physical or verbal abuse which readily pose a threat to a dentist or other of our members which are unrelated to your mental or physical condition.
- d. We may cancel your *contract* if you relocate outside our service area
- e. We may cancel your *contract* for non-renewal or cancellation of the group *contract* through which you receive coverage.

For information regarding benefits after cancellation see Part IV, Section 15 of this certificate.

C. Cancellation due to loss of eligibility

Your *contract* will be canceled when you are no longer eligible in the group through which the *contract* was issued. If your *contract* is canceled because you are no longer eligible, we will continue to provide benefits only if you started receiving services for a procedure before the cancellation date and that procedure requires two or more visits and the treatment is completed within 30 days of the termination date. In such a case, the benefits described in this *contract* are available after your cancellation date for services related to that procedure. If your group has purchased benefits for orthodontic services, the policy of continuing benefits will not apply to these orthodontic services.

15. BENEFITS AFTER CANCELLATION

If you or your *plan sponsor* cancels your *contract* no benefits will be provided for services that you receive after your cancellation date.

If we cancel your *contract* for any reason other than for a fraudulent claim or misrepresentation, we will continue to provide benefits only if before the cancellation date you started receiving services for a procedure that requires two or more visits and the treatment is completed within 30 days of the termination date. In such a case, the benefits described in this *contract* are available after your cancellation date for services related to that procedure. If your group has purchased benefits for orthodontic services, the policy of continuing benefits will not apply to these orthodontic services.

16. NOTICES

- A. To you: When we send a notice to your *plan sponsor* we will send it by first class mail. Once we mail the notice or bill we are not responsible for its delivery. It will be your *plan sponsor's* responsibility to notify you. This applies to your bill for subscription charges as well as to a notice of a change in the subscription charge or a change in the *contract*. If your name or mailing address should change, you should notify your *plan sponsor* at once. Be sure to give your *plan sponsor* your old name and address as well as your new name and address.
- B. To us: Send letters to *Delta Dental*, 465 Medford Street, Boston, Massachusetts 02129. Always include your name and *Delta Dental PPO subscriber* identification number.

17. ENROLLMENT AND *CONTRACT* CHANGES

All enrollment applications and any additions or changes to a *contract* are allowed ONLY when they conform to our Underwriting Guidelines on file with the Massachusetts Division of Insurance. If your group is enrolled in a dual choice option, you are only eligible to change your enrollment status during the annual *open enrollment* period.

18. WHEN AND HOW BENEFITS ARE PROVIDED

Benefits will be provided ONLY for those covered services that are furnished on or after the *effective date* of this *contract*. If before a *subscriber's effective date* he or she started receiving services for a procedure that requires two or more visits, NO BENEFITS are available for services related to that procedure. If your group has purchased benefits for orthodontic services, this limitation will not apply to those benefits. Your *plan sponsor* can supply you with the proper orthodontic endorsement describing your benefits.

In order for you to receive any of the benefits for which you may have a right, you must inform your dentist that you are a *covered individual* and supply him or her with your *Delta Dental PPO subscriber* identification number and any necessary information needed to file your claim. If you fail to inform your dentist within 12 months after the services are rendered, we will no longer be obligated to provide any benefits for those services.

Nothing in this certificate of coverage will prohibit a *covered individual* from seeking emergency care whenever the individual is confronted with an *emergency medical*

condition, which in the judgment of a prudent layperson would require pre-hospital emergency services. This includes the option of calling the local pre-hospital emergency medical services system by dialing 911, or its local equivalent.

19. WE ARE NOT RESPONSIBLE FOR THE ACTS OF DENTISTS

We will not interfere with the relationship between dentists and patients. You are free to select any dentist. It is your responsibility to find a dentist. We are not responsible if a dentist refuses to furnish services to you.

We are not liable for injuries or damages resulting from the acts or omissions of a dentist.

20. COORDINATION OF BENEFITS

Coordination of Benefits (COB) applies if you or any of your dependents have another plan that provides coverage for services that are benefits under your *contract*. *Delta Dental* will administer the COB according to the applicable state Coordination of Benefits law (including the provisions of the Massachusetts Division of Insurance's regulations regarding COB, the "COB Regulations") and this Subscriber's Certificate. A copy of the COB Regulations is available from Delta Dental upon request.

The plan that provides benefits first under the COB rules is known as the primary plan. The primary plan is responsible for providing benefits in accordance with its terms and conditions of coverage without regard to coverage under any other plan. The plan that provides benefits next is the secondary plan. It provides benefits toward any remaining balance for covered services in accordance with its terms and conditions of coverage, including its COB provision.

When *Delta Dental* is the secondary plan, we will provide benefits toward the remaining balance for covered services. These benefits are determined by the terms of your *contract* and this Subscriber's Certificate, subject to the COB Regulations.

IMPORTANT: No statement in this section should be interpreted to mean that we will provide any more benefits than those described in the Benefits Section of this <i>contract</i> . If you have any questions about COB and your <i>contract</i> , please contact our Customer Service department. The telephone numbers are listed at the end of this certificate.

21. RIGHT TO RECOVER OVERPAYMENTS

If we pay more than we should have under COB, then you must refund any overpayment to *Delta Dental*.

22. QUALITY ASSURANCE

As a *Delta Dental covered individual* you have the freedom to seek services from *Delta Dental* panel dentists or specialists or from the dentist of your choice. For further details about your coverage please refer to the benefit descriptions, exclusions and other *contract* provisions sections of this certificate of coverage.

Delta Dental has established a Quality Management Program for our *Delta Dental* panel dentists to state specific policies and procedures to ensure that minimum standards are met and that proper evaluations are conducted in order to provide insured with quality care.

The Quality Management Program addresses the following standards

- Provider and member services
- Provider credentialing
- The patient record/file
- Sterilization and infection control
- Medical emergency preparedness
- Environmental and radiology safety
- Professional standards/onsite reviews
- Utilization review program
- Accessibility of services
- Member and provider satisfaction

The quality management program has been developed in conjunction with individual practitioners who participate actively within the program to ensure the program's overall effectiveness.

23. UTILIZATION REVIEW

This is the formal process designed to monitor the use of, or evaluate the medical appropriateness or efficiency of health care services. A utilization review program has been established to ensure that any guidelines and criteria used to evaluate the medical appropriateness of a health care service are clearly documented and include procedures for applying such criteria based on the needs of the individual patients and characteristics of the local delivery system. The program was developed in conjunction with actively practicing dentists in all specialty areas of expertise and is reviewed at least annually to ensure that criteria are applied consistently.

Any utilization review conducted under your dental *contract* is done retrospectively or at the time a claim for services has been submitted for reimbursement. In order for a submitted claim to be covered, the procedure must be included as one of the "Covered Procedures" in your certificate. If a procedure is not a covered procedure then the claim for that procedure will be denied in accordance with the terms of your certificate and the group policy. Coverage of certain procedures may also be limited by frequency, age, *effective dates* of coverage, etc which are all *contractually* stated within your certificate.

There are also a number of listed procedures which are only considered a covered expense if a patient presents with a specified health history and/or has been diagnosed with a specified condition. During the claims review of these specific procedures, there may be a determination by a licensed dental practitioner that the procedure that was performed was not determined to be medically appropriate in accordance with the criteria that has been established in accordance with our utilization review program. In these situations, the claim for that procedure may be denied or partially reimbursed in accordance with the benefit for an alternate procedure.

All claims are processed within 30 working days of obtaining all necessary information. Our standard turn-around times are generally 10 working days for claim review. For all claims submissions you and your dentist will receive an explanation of benefits which details how each submitted procedure was reimbursed and/or the reason for denial.

When a claim has been denied or partially denied based on medical appropriateness, this is considered an *adverse determination*. These decisions are reviewed by qualified and appropriately licensed health professionals and only after receiving any relevant clinical information necessary to make the decision.

It is up to you to pay your dentist. If you have any questions, contact your *plan sponsor* or our Customer Service department. *Delta Dental* telephone numbers are listed at the end of this certificate.
