Notes:

Once registration opens for your alphabetic group, you will have access to add and drop courses continuously from that point through the end of the add/drop period. The alphabetic groups on the Registration Schedule rotate each semester.

Students who plan to complete the final course(s) towards their degree program in the summer 2011 semester will receive their degree/certificate in October 2011. These students must file a petition to graduate via MyBentley no later than March 24, 2011. Failure to submit the petition by this deadline may result in delayed registration for summer 2011 courses.

To file the Graduation Petition log onto MyBentley, click on "Student Self Service", then "Main Menu", then "Graduate Student Main Menu", then "Petition to Graduate". A separate petition must be filed for each degree or certificate.
